"WHILE maintaining a professionalism, Holywell Childcare and its staff provide an extended family for myself and my daughter," writes one satisfied client.

"Being recommended to this nursery is the best thing that could have happened to our family. I will definitely be enrolling my other children there.

"My daughter really looks forward to going to nursery. She talks about her friends (including the wonderful staff).

"Staff continually strive to encourage and stimulate her in a safe environment and this has had a tremendous impact on her development."

And another wrote: "I am extremely grateful to you for taking the time to help my daughter adapt to the impending arrival of her new baby brother or sister, by reading books and doing activities which we are also doing at home. There has been a real positive attitude change. Thank you.

Open day planned

ASHGROVE Farm Nursery is conveniently situated on the outskirts of Chester.

And, with the out-of-school clubs, it can cater for all your childcare needs – taking children from three months to school reception and offers them a secure and friendly environment.

Each age group has a base room from which play and learning opportunities are provided through the Early Years Foundation Stage Curriculum.

An open day will be held on July 2, from 10am-2pm.

Building for the future

THE Barn pre-school nursery is located next to Boogles Playbar on Tilston Road in Malpas.

It is believed to be the only nursery in the Malpas area to offer such a wide selection of childcare services.

The Daisies unit takes babies up to a year; Bluebells for one to two-year-olds; Daffodils for two to three-year-olds; and Buttercups for three to four-year-olds.

Free places are offered in the pre-school room through the Nursery Education Grants from Cheshire County Council (NEG funding) and Childcare Vouchers are accepted. It is OFSTED registered and a member of the NDNA.

An education for life

CHILDREN joining Abbey Gate School in Hoole at the age of three experience a vibrant, lively environment and a host of stimulating activities, under the guidance of well qualified and caring staff.

They are gently encouraged to develop their academic, creative, physical and social skills in a happy and friendly atmosphere where they feel secure and valued.

"Children make outstanding progress", was what the Independent Schools Inspectorate said of the Early Years Department, in October 2010.

This unique ethos continues throughout the school where children are constantly challenged.
