WITH such vast beautiful surroundings from the coastline to mountain peaks finding somewhere to enjoy the bank holiday isn't hard in North Wales, but where do you start?

From historic castles and deep underground caves to adventure playgrounds, train rides and ski-centres there's sure to be something for you to do.

Starting from around the Llŷn Peninsula there's plenty to enjoy, including the thrills and spills of Glasfryn Parc, where you can try the go-kart circuit, a spot of archery, bowling or quad biking.

After something a little more relaxing? Then a visit to Criccieth Castle is ideal, or try Portmeirion Village and Gardens, this beautiful village is surrounded by 70 acres of woodland.

The Ffestiniog Railway provides a lovely scenic ride through Snowdonia's National Park. Or why not try the Welsh Highland Railway in Porthmadog? Parc Glynllifon in Caernarfon offers relaxing walks through 70 acres of exotic trees and plants, imported and planted over 150 years ago.

The mighty Caernarfon Castle is a fantastic sight. For the children is the excellent Fun Centre, with an indoor adventure playground, mini electric go-karts and a fantastic laser space sport games arena.

Over on the Isle of Anglesey, experience underwater marine life at Anglesey Sea Zoo from sharks to starfish. Penrhyn Castle in Bangor is a 19th-century fantasy castle featuring spectacular contents and grounds, with a magnificent view over Snowdonia. And at Plas Newydd in Llanfairpwll, the home of the Marquess of Anglesey, you can enjoy the largest collection of Rex Whistler works, plus large gardens, woodland walks and a marine walk along the Menai Strait.

Conwy offers plenty of attractions for a great family day out, including the dramatic, dark-stone fortress of Conwy Castle and the Butterfly Jungle in Bodlondeb Park. At Rhyl Sea Life Centre you can enjoy the unique experience of a seabed stroll surrounded by sharks, rays and countless other fascinating ocean creatures.

The Welsh Mountain Zoo in Colwyn Bay is a wild day out and the seaside town of Llandudno has plenty to offer with the Great Orme offering spectacular views.

Heading east you can take a visit to Bodelwyddan Castle which has beautifully restored period rooms and 260 acres of parkland with gardens and an adventure playground.

For a lovely family day out, visit Gweryd Lakes set in the Clwydian Mountains with marked walks, natural fishing lake and a cafe.

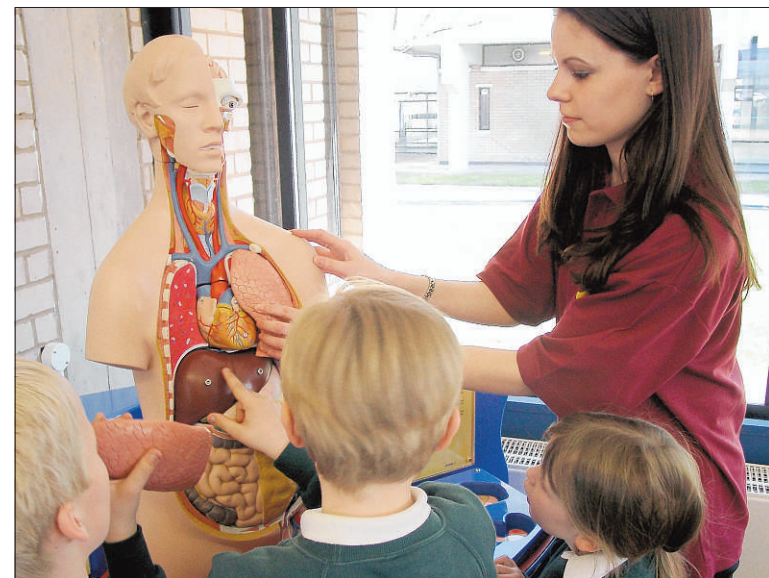

Budding scientists will love Techniquist at NEWI, the amazing science discovery centre in Wrexham. At weekends and during school holidays, gather round the "Demo Lab" and watch live science demonstrations that surprise, enthuse and amuse!

So for ideas of what to do this bank holiday, there's plenty to see and do in the region.
