BAR & BISTRO

Contemporary menu at The Fox Bar & Bistro

JUST a short drive away in nearby Ripponden is The Fox Bar & Bistro, a family run restaurant which offers great contemporary British food served with a Mediterranean twist.

Situated alongside the main Oldham Road, the restaurant has been run by husband and wife team Patrick and Melanie Thornber for the past nine months. Since taking over the established restaurant, the couple have made several changes including introducing a brand new menu, new extensive wine list, new booth-style seating for families, regular special dining offers, live entertainment and much more.

Patrick, who is also the chef, has 20 years experience in the restaurant trade and has put together an innovative modern menu which includes a very popular Sunday lunch menu which offers one, two or three courses for £8.95, £11.50 and £13.95.

With the run-up to Christmas already in full swing, The Fox Bar & Bistro is now taking orders for the festive season. The restaurant will be open up to and including Christmas Eve night and then onwards from Boxing Day into the New Year. Christmas party lunch and dinner menus are now available for bookings and include a choice of traditional festive food sitting alongside contemporary and vegetarian choices.

On Christmas Day the restaurant will open, just for drinks and complimentary nibbles to help Patrick and Melanie celebrate their first anniversary of restaurant ownership. The restaurant's wine list offers diners a superb choice of white, red and rose wines from around the world which can be enjoyed either as a bottle or by the glass.

Particularly popular with Fox diners is the
