Wide choice for windows and floors

WITH new ranges of curtain fabric and wallpaper, the long established Green's Furnishings Ltd of Kirkheaton has designs to suit every home.

Director Richard Green says his business offers a bespoke curtain measuring, making and fitting service which in many instances can be comparable to buying quality ready made off-the-peg designs.

He said: "Why buy off-the-peg when, for a similar cost, you can have a full bespoke service to tailor your curtains or blinds to your exact requirements?"

All curtains and blinds are made up in the on-site workroom and Richard himself takes care of much of the measuring and fitting.

Based in the centre of Kirkheaton at Town Top, Green's Furnishings Ltd now has a great choice of fabrics now available, including all the new season designs from top names including Harlequin and Sanderson.

Many fabrics now come with coordinating designer wallpaper to make your room complete. In more recent months Green's Furnishings Ltd has begun to stock a wider range of wallpapers to complement any home, modern or traditional.

New season colours for fabrics including popular aubergine and lime combinations and the turnaround time for curtains, roller blinds and Venetian blinds from measuring to fitting is around three to four weeks.

Remember that with a little help from Richard and his team at Green's Furnishings Ltd, you can have some of the best dressed windows in town.

As well as a great choice of window dressings, Green's also offers a great choice of carpets, both traditional and modern.

made and include top names such as Westex, Ulster, Victoria, Cormar and Brockway carpets. Richard said: "Here at Green's we always pride ourselves on top customer service and great attention to detail. A selection of accessories is also available including curtain poles, tie-backs, valances, pelmets, wallpapers etc.

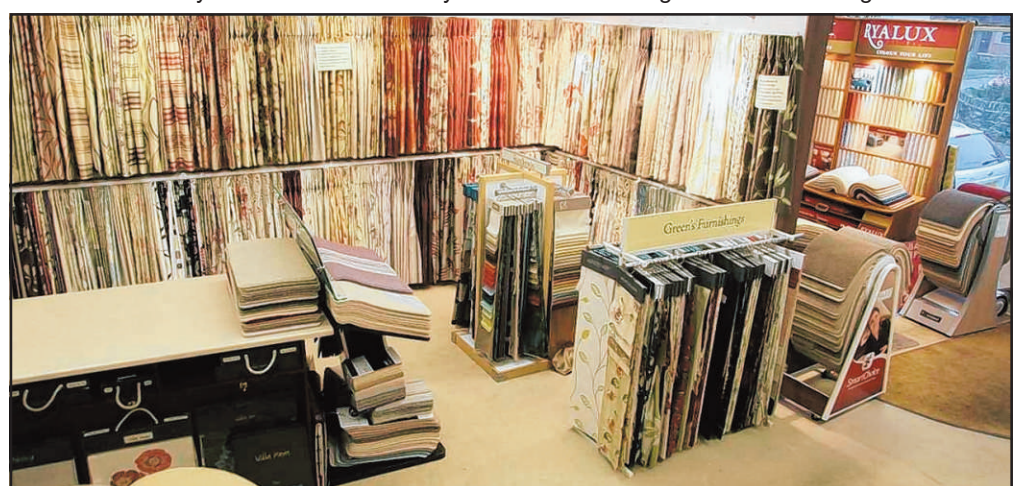

Established in 1973, this family run business offers a wide range of furnishing products. Green's Furnishings Ltd was formerly known as Kirklees Carpets & Curtains.

The change of name was made to incorporate the family name and to reflect the wider range of products now on sale.

New opening times are Tuesday to Friday 9am to 5pm and Saturday 9.30am to 4pm.

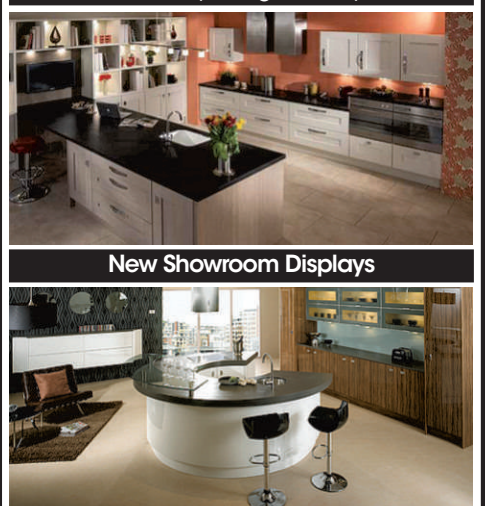

The showroom will open later on Thursday by prior arrangement.
