EVERYTHING UNDER ONE GROUP from concrete to kitchens, we've got the lot!

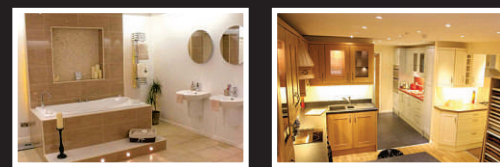

Founded in 1929, we pride ourselves on being a traditional family run business in its fourth generation. Whatever your project, through our branch network we can provide all the materials you could possibly need for any homebuilding, renovating or DIY task, from concrete to kitchens, we've got the job lot!

The Myers name is synonymous with:

- Excellent levels of service
- Technical expertise and experience
- Supply and manufacture of responsibly sourced quality products at competitive prices
- Friendly and inviting local branches
- Family business mentality

Readymix Huddersfield is at your service to supply readymixed concrete in small or large loads depending on the size of your project. Various sizes of vehicle are available to suit the application required.

Our Naylor Myers branch in Brighouse has a fabulous Kitchen & Bathroom Showroom along with a spectacular outdoor landscape display, the branch is open every day including Sunday making it more convenient for you to visit.

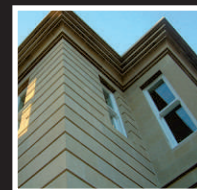

We have a new DIY store at Crosland Hill, Myers Build & DIY on Blackmoorfoot Road is open every day including weekdays until 8pm and Sundays from 10am to 4pm.

Boards Timber Merchants on Canal Street, off Leeds Road supplies all types of timber and sheet materials and has recently opened a new Kitchen Showroom fitted with the latest traditional and contemporary styles.

If you need skips for your project, you can order on-line at your convenience from HSH Skip Hire at www.myersgroup.co.uk

Johnsons Wellfield is a leading supplier of natural sandstone operating its own sophisticated production facility at Crosland Hill, equipped with the latest robot technology, enabling bespoke creations to be manufactured to customer specification. High quality crafted products are manufactured in Yorkstone for homebuilding as well as for garden landscaping.

We are proud to have supplied Natural Yorkstone to many prestigious projects throughout the country as well as throughout Huddersfield and the local surrounding areas.

We welcome visits to our quarries from local schools and organisations within the local community as well as from individuals or builders considering the use of Crosland Hill Natural Yorkstone for a building project.

If you would like to visit Johnsons Wellfield please call 01484 652311.

We'll help you create a sustainable home

Renewable and responsibly sourced products are readily available to assist in providing you with an environmentally friendly home, including rainwater harvesting systems, solar panels and underfloor heating.

We can provide a building materials estimating service and also carry out kitchen design & plan.

Whatever your project, talk to us and we'll do our very best to assist you with products to complete your dream home, from concrete to kitchens, we've got the job lot!
