Great restaurant in the heart of Elland

ESTABLISHED for 14 years in Elland, Sanam Restaurant is a popular local favourite place to eat.

Offering an extensive menu, a great value Early Bird and a takeaway service, Sanam's can be found right in the town centre at Elizabeth Street, just across the road from the Southgate car park.

Sanam's is run by Amar Hussain who has more recently introduced a choice of Early Bird dining times Monday to Sunday. From 5pm to 6pm the Early Bird costs just £7.95 and from 6pm to 8pm, just £10.95.

It offers a pre-starter pickle tray and popadoms, a choice of several starters, various main courses and sundries, along with a choice of a hot or cold drink and is always a popular choice with diners.

Sanam's is fully licensed but diners are also welcome to bring their own drinks if they prefer. The takeaway service is always available and there is free delivery within a three-mile radius for all orders over £10. There is a 20% discount for all orders which are collected.

The restaurant has recently been refurbished with a fresh modern look.

Over the years Sanam's, which can seat up to 65 people, has built up a loyal clientele with many local people visiting once a week and others travelling from Huddersfield, Halifax, Dewsbury, Mirfield etc to try the Sanam's experience.

Amar, who also works as the chef, has always worked in the restaurant industry and offers a range of both traditional and modern dishes, including several fish special choices. Many of the Sanam dishes offer unique individual choices for today's diner.

To accompany your meal, Sanam's offers a range of freshly made speciality coffees, fresh juices and ice creams.

Sanam's also offers an outside catering service and the restaurant is available to book for special occasions such as weddings, parties and other celebrations.

Orders are already being taken for Christmas dining at Sanam's which will be open right through the 2011 Christmas and New Year period.

If you want to enjoy the Sanam's dining experience, then remember it's always advisable to book at weekends as the restaurant soon gets full.

The restaurant is open seven days a week from 5pm.

Take a look at the menu and you'll find a great range of starters, chef's specialities, familiar traditional favourites and modern contemporary dishes. Everything is cooked fresh to order.
