COME DINE WITH ME

A Warm Welcome awaits at the New Inn Marsden

Excellent seasonal menu all cooked from fresh locally sourced produce.

A great dining out choice in the heart of Colne Valley

ALWAYS a popular choice for diners, The New Inn at Marsden now has even more great offers for its visitors.

The popular pub/restaurant has recently changed some of the weekly offers and menus. Diners can now take advantage of various great offers all week long.

On Mondays and Tuesdays The New Inn now offers a buy-one, get the second meal free deal. On Wednesdays if you buy two main courses, you can also enjoy a free bottle of wine.

Thursday is fajitas night, buy one, get one free and Friday is steak night which offers two steaks and a bottle of house wine for £34.90. All steaks are purchased from Hinchliffe's farm shop at Netherton.

A great offer is available for children up to the age of 10, accompanied by an adult. Children can eat free every third Sunday.

Situated on the very edge of the Huddersfield area, The New Inn at Marsden is well worth a visit all year round with a great choice of main courses, sizzling fajitas along with lighter bites.

Particularly popular with locals and walkers is the Sunday Brunch, priced at just £5.95 and served every week from 8.30am to 11.30am. This includes juice, a full English breakfast, toast and unlimited tea or coffee. A selection of newspapers is available to read.

Take a look at the menu and you'll be spoilt for choice with starters including breaded tiger prawns, duck spring rolls and barbecued spare ribs.

The new sizzling fajitas are served with soured cream and guacamole and lighter bites include choices such as chorizo salad, wild mushroom risotto and shredded duck.

To finish off your meal, why not try a great dessert?

With a choice of hot and cold puddings,

there's plenty to tempt your sweet tooth.

All fresco dining is available in better weather. The New Inn also boasts a range of real ales with European and New World wines available by the glass.

If you've got visitors coming to the area, then remember that The New Inn also offers accommodation with six individually decorated and named rooms, starting at £79 per couple for bed and breakfast.

New facilities for washing and drying clothes are now available, ideal for walkers and visitors

to the area. All rooms are en-suite and are named after famous people who were born in Marsden or who came to the area and helped put Marsden on the map.

The New Inn's rooms are regularly used as overflow accommodation for the nearby Hey Green Hotel at Marsden, and are particularly useful for hotel wedding guests.
