Think Wood, Think Walker's

Time to tackle those interior jobs

THE advent of winter brings new jobs for the keen DIY enthusiast. Gone is the chance to do much outside so homeowners start to concentrate on any interior jobs which have been waiting.

If you're planning to do major interior work, the long established Walker Timber of Birkby has the answer.

Any homeowners looking to totally re-do a room in the home can find plasterboard, skirting board and floor boards at Walker Timber to create a whole new look. A wide choice of timber is now available so take a look at what's in store.

As well as supplying to the domestic market, Walker Timber is also the point of call for local tradesmen who trust this long established local business.

Mark Walker, who today runs the family business, said: "We have everything here to tackle those important interior jobs. If you're planning to replace floors or replaster walls etc, we have a great choice of products."

Also in stock are dado rails, architrave and beading, nails, screws and other fittings. Walker Timber is the Huddersfield specialist for timber products all year round.

If you're planning ahead to tackle some garden work next spring, remember that Walker Timber has a huge selection of fencing and decking timbers and materials.

Maybe next year will be a good time to replace fencing which has seen better days or go the whole hog and create a decking sitting out area to enjoy spring and summer sunshine.

Walker Timber is one of the Huddersfield area's longest established businesses and has been a family run concern since it started in the 1930s as a general dealer.

Mark is the fourth generation of the family at

■ TIMBER: It's a family affair. Mark Walker, owner of Walker Timber, is pictured with his sons Matthew (centre) and Adam. Also pictured, the range of timber available

the helm and today runs the timber business with the help of his wife Michelle. In more recent times they have added two new divisions to the business, the fencing centre and the decking centre.

This has allowed the business to offer a truly bespoke and personal service to its customers across Huddersfield and beyond. To make improvements both inside and outside, take a look at how Walker Timber of

Spinkfield Road, Birkby can help create a new look. Mark and his team are always on hand with help and advice for any job, large or small. Take a look at www.walker-timber.co.uk for more details or ring 01484 422759.
