Yorkshire Stoves & Fireplaces

Create a stunning focal point for your home

AS darker nights approach, our thoughts turn to pulling on the curtains and settling down in front of a cosy fire.

If the focal point of your sitting room is in need of an update, now is a great time to take a look at fires and fireplaces and organise a date for installation before cooler days arrive in autumn and winter.

For a great choice of stoves, fires and fireplaces, it's well worth taking a look at the newly opened Yorkshire Stoves & Fireplaces in Leeds Road, Huddersfield.

Opened by Liam Clough just over a month ago, the showroom is already attracting a lot of interest from local homeowners keen to find a new focal point for their home.

He said: "We take care of everything from start to finish with our team of experienced fire and fireplace installers."

Liam, who has worked in the industry for a number of years before setting up on his own, says his priority is always to meet the specific needs of his customers.

"Whether you want a focal point, an efficient fireplace to heat your room, or a combination of both, Yorkshire Stoves & Fireplaces will aim to provide you with a solution," he said.

A range of about 30 fires and stoves are always on display in the Leeds Road showroom along with a range of fireplaces in various designs using marble, wood, granite and limestone.

Yorkshire Stoves & Fireplaces also stocks contemporary hole-in-the-wall fire designs.

Liam said: "At the moment stoves are really popular, mainly because they are multi-fuel and will burn coal or wood etc. Homeowners are buying them to save money as gas prices continue to rise."

Products and services offered by Liam and his team also include repair and service of gas fires and stoves, repair of stone fireplaces, surveys, advice and consultation, fireguards and bespoke fireplaces.

Take a look at the website www.yorkshirestovesandfireplaces.co.uk for more information.

The Leeds Road showroom is open seven days a week, Monday to Friday 9.30am to 6pm, Saturday and Sunday 10am to 4pm.

The showroom is situated next to the Topps Tiles showroom and there is customer parking outside.
