

MBO/MBI of the Year

PURPOSE OF COMPETITION

The Deal Awards are the latest addition to the ncjMedia event and exhibition portfolio. The awards will recognise the outstanding talents of our professional and financial community in helping to make these deals happen but they also celebrate the strategic skills of executives both in the private and public sectors.

JUDGING CRITERIA

The judges are looking for courage and vision from management teams and their advisors. This kind of deal may have taken a business in a new direction, allowed a new generation to succeed or effected a rescue. They require a great deal of skill and thought which will be very apparent in the best examples.

ENTRY CRITERIA

The awards are open to companies situated within the circulation areas of The Journal and Evening Gazette.

All additional material must clearly state company details and award category applied for.
