

Sea View's super pupils

IN Sea View School we celebrate because lots of children are getting awards for their achievements. Every Friday, children in every year get picked for their good work and achievements all through the week. The teachers decided that children should celebrate all their achievements. If you work hard and make the right choices you could be chosen. You get a certificate and the chance to go for your lunch at the Captain's table. Courtney felt really happy when she got the award. Gabrielle likes it because it encourages people to work harder.

Disco dance club diva

EVERY Wednesday at lunch time we go to Dance Club. We learn and perform dances. We practice in the assembly hall. Mrs Adcock leads Dance Club. There is only Year 4 in our dance club and over 20 people go. So far we have learned Thriller, Austin Powers and Grease. We will be dancing in a festival at the Customs House in South Shields. We do all kinds of dance moves, from traditional moves to cheerleader type moves!

Thanks Thurston!

This week's Kron page is written by Sea View Primary School and was designed at:

Next week's Kron page will be written by the Ouseburn Valley Education Forum..

HOORAY! – Mrs Holmes and her mountaineers reach the summit!

IN March of this year, children from Years 4 and 5 at Sea View Primary School visited Thurston, an educational outdoors adventure centre.

It helps give children many experiences such as climbing a mountain, canoeing, jetty jumping, Ghyll scrambling, but most of all teamwork, helping one another. After arriving and putting our suitcases in the barn, we all went to the classroom to

meet our instructors. My instructors were Andy and Cheryl.

On Monday we went for a walk up a stream and into the sinking mud. On Tuesday we went walking up a mountain called Loughrigg. On Wednesday we went Ghyll Scrambling, that is where you climb up stuff like mini waterfalls. On Thursday we went canoeing across the lake to a café. On Friday we got ready to come home, said good-bye and that is what it is like at Thurston.

THE TEAM – our new recruits

Football focuses

DURING this term, Year 3 and 4 have had coaching from Mr Holmes, a student from Northumbria University. Mr Holmes taught us new skills like goalkeeping, shooting, defending and making space to play the ball into. Sometimes we crowd round the ball, but we are trying hard to spread out for each other.

We have learned new skills and other brilliant skills for strikers.

Other schools in our league are very good, so we needed the skills to make our school the best.

We have learned new skills and we are going to win this year.

Everyone is very good now, after the training we received from Mr Holmes.

The students who made the team are: Marley, David S, Lee, Liam, Max, David K, Sophie, Laura and Katrina.

Huff Puff madness

EVERY Friday we play special games like Hot Potato. Huff Puff opened in November 2006. Huff Puff is located at the top of the play yard next to Bamburgh play yard.

Mrs Smith, Mrs Howe Mrs Cunningham and the school council had thought of this marvellous idea for Sea View. This marvellous idea was thought of because children didn't have much fun at dinnerplay. We got some money and we were able to buy the Huff Puff equipment. We play with balls and other equipment.

"Huff Puff is the best idea in the world" said Mina Kirala. "Huff Puff is the best", said Fern Vass.

Cool crazy clubs!

WE have lots of clubs at Sea View, all on lunchtimes. You can choose which one you would like to go to!

In Sea View Primary School we have a journalist club that Mrs Pettman runs.

They all meet up at Mrs Pettman's room to talk and write things about their day.

Choir is on every Tuesday dinner time, you go to Mrs Wells' room to rehearse a play called Joseph, there are 15 people in the choir so far.

There are more: Movie club, Come and Play & Art and Craft club.

Oh no! Ofsted ahead!

IN December, Ofsted came to look at our school. It was their first visit since our new school had opened. The inspectors wanted to see how hard we all work together and how great our lessons are! They were in our lessons, in our corridors and in the yard. One came in our lesson and looked at our work. Another came to talk to me and my friends Imogen, Bethany and Emily. She talked to us about healthy eating. We were very nervous about what they thought!

We got a good report from Ofsted. They said we all worked together well and were a great Sea View Team. We came together from three separate schools and they were pleased how we all get along. Mrs Cunningham and our teachers were really pleased!

Brilliant Bede's World

YEAR 4 Sea View Primary School pupils went to Bede's World on a recent school trip. We were learning about the Anglo - Saxons in history so we visited Bede's World in Jarrow.

Bede's World hopes to become a World Heritage Site, just like Durham Castle, Durham Cathedral and Hadrian's Wall.

Bede was the most educated man of his time. He is the author of the first English history ever written. We were shown around the farm and the museum, and then we went into the monastery and dressed up as monks.

"It was quite interesting, I enjoyed it," said a Year 4 pupil. I think we all enjoyed our trip to Bede's World, and are hoping to go back there.
