

CBI Future Leaders Programme 2008/09

Introduction evening—outlining the programme and projects

Two day trip to Brussels - to gain an understanding of European policy, visit European Parliament, meet MEPs and consider Europe's impact on our region's business

Programme tours around various sites, to showcase the strengths the region has in:

- Regional Leadership and Regional Institutions
- Skills and Education;
- Industry and Infrastructure; and
- Manufacturing, Energy and Environment.

These tours will also include 'Voice of a leader' interviews with established leaders to discuss their route to the top.

CBI National Conference - an opportunity to witness key politicians and business leaders and contribute to national debates

Participation in one of the following projects

Project One – CBI Future Leaders Enterprise Project 'Million Makers UK Challenge', in conjunction with Prince's Trust.

Project Two – Lead to Learn in conjunction with Schools North East

Celebration event
