

Challenged to Achieve

St Mary's College is a vibrant, thriving community which places a high value upon all-round personal development and academic excellence.

That's why we offer a happy, safe and structured environment within which our pupils can develop. With over 40 extra-curricular clubs and societies, a fully-equipped multi-gym and 20 acres of sports fields, there's plenty of opportunity for your child to flourish.

Last year, our pupils had a 98% pass rate at A-level, gained over 30 Duke of Edinburgh Awards and helped raise more than £50,000 for local, national and international charities. (That's a lot of proud parents, pupils and teachers).

Visiting Day

For a full picture of life at the College, please visit our website at www.stmarys.ac then come along and see us on a normal working day:

Monday, 12th January, 2009
