Yellow Top Taxis Celebrating 50 years in the Driving Seat

Radio Yellow Top Taxis started life in Adelphi Chambers, Hoghton Street in 1959, they then moved to Lord Street and finally to Sussex Road in 1985.

With 50 years in the business, Yellow Top Taxis have a wealth of experience managing accounts with customers ranging from The Royal and Ancient (R&A Golf), ITV, North West Ambulance Services, several departments within Sefton Council and of course many local businesses and residents. Many celebrities have travelled with the firm over the past 50 years, including The Four Tops, Go West and Norman Wisdom.

With a fleet of around 45 to 50 fully licensed and insured Public Hire Hackney Carriages from saloon cars, estate cars, to the traditional black cabs and the new E7's. Yellow Top Taxis are a familiar sight in the town, keep an eye out for their cab liveried out in the old colours, which is sure to bring back memories!

Quite a number of Yellow Top Taxis cabs can carry wheelchairs, and passengers with push-chairs can even push buggies and prams straight in to the cab.

The firm will celebrate its Golden Anniversary on Monday, with a glittering ball held at the Floral Hall, with staff and clients past and present joining in to celebrate.
